

## **Fachschule Viventa**

Fachschule Viventa offers the “German and Orientation Course (DuO)” at Kernstrasse 11, 8004 Zurich, designed for foreign-language adults seeking to improve their elementary German skills and integrate into Swiss society. The course combines language learning with integration topics, everyday mathematics, media skills, and practical excursions. Participants also benefit from individual coaching and targeted exam preparation at no extra cost, significantly enhancing their job prospects through a recognized German certificate. Childcare is not provided. The course is delivered in the morning, afternoon, or evening, with 12 lessons per week (excluding coaching) over two modules, each lasting a semester (six months), for a total of 40 weeks per year. Official course starts occur twice a year, but depending on language skills and course group, entry into ongoing courses may be possible. The total cost is CHF 950 per semester, which includes teaching materials and excursions. This program is IAZH-accredited.
