

Bénédict Berufsfachschule AG Zürich – “Vision” Full-Time Educational Offer

Bénédict Berufsfachschule AG Zürich offers the “Vision” full-time educational program at Vulkanstrasse 106, 8048 Zurich, specifically designed for refugees and temporarily admitted individuals (typically unaccompanied by family) residing in the canton of Zurich. The program focuses on linguistic, cultural, and social integration for adolescents and young adults aged 16 to 25. Based on Curriculum 21, the subjects covered include language, mathematics, media and IT, general education, and career preparation, with the goal of preparing participants for transition to regular secondary level II structures and achieving GER A2 language proficiency. Childcare is not available for this offer. The program runs 40 school weeks per year, with 35 lessons each week (20 weeks per semester), and participants can enter at any time, with four start dates annually. The annual cost is CHF 25,700, which includes teaching materials, and an additional ECDL-Base daily course (4 hours) is available for CHF 250. The offer is IAZH-accredited.

Bénédict Berufsfachschule AG Zürich – German with a Focus on the Job Market

Also located at Vulkanstrasse 106 in Zurich, Bénédict Berufsfachschule AG Zürich provides a German language program tailored for job market integration. This course targets both school-acquainted and non-school-acquainted participants, offering three integrated modules: general education, ICT training, and application training, with a strong focus on scenario-based, action-oriented lessons. The aim is to improve each participant’s language level by at least half a level, with vocabulary development focused on oral communication, especially for those not used to formal education. Childcare is not available. The intensity is 20 lessons per week, and the duration is 12 weeks for A1, A2, and B1 levels, or 16 weeks for B2. Entry is possible 10–12 times per year, depending on demand. The complete course per level, including general education, ICT, application training, infrastructure, and laptop rental, costs CHF 3,460. IAZH accreditation is not specified in the provided information.
