

EB Zürich

EB Zürich offers the “START! Vocational Training” program at Riesbachstrasse 11, 8090 Zurich, targeting adolescents, young adults (16–25 years), adults, and school-going individuals who have completed basic literacy in the Latin alphabet and possess the academic and personal readiness for upper secondary training. The program includes language modules from A1 to A2, career orientation, mathematics, ICT, learning and work techniques, and career guidance, helping participants prepare for further education or training in Switzerland. Entry into the program requires registration through case management offices, followed by a free admission process involving an interview and skills assessment at EB Zürich. Childcare is not provided. The course is structured in blocks of 10 weeks, with 22 lessons per week, and can be attended for up to two semesters. There are eight possible start dates per year, with entry at placement appointments held twice per quarter. The cost for a 10-week, 22-lesson block is CHF 4,183, and the fide language test is available for a one-time fee of CHF 250. This offer is IAZH-accredited.
