

Asyl-Organisation Zürich (AOZ) – AOZ Cleaning Course

The AOZ Cleaning Course, offered by Asyl-Organisation Zürich (AOZ) at Eggbühlstrasse 15 in Zurich, is designed for adults seeking professional training and work experience in the cleaning sector. The program consists of an 11-week training quarter (four days per week) covering industry-relevant theory and skills, followed by a 22-week learning semester (four days per week with an additional course day weekly) where participants gain hands-on experience, a job reference, and strengthen their industry-specific German. Childcare is not available. The course is full-time and has four entry points per year (February, May, August, November). Costs are CHF 10,225 for the training quarter and CHF 7,025 for the learning semester. Successful graduates receive a certificate recognized by the industry, and the offer is IAZH-accredited.

Asyl-Organisation Zürich (AOZ) – AOZ Gastrocourse

The AOZ Gastrocourse provides adults with basic qualifications for work in kitchen and service roles, combining internal practical experience at AOZ's catering sites (such as Tasteria, Restaurant Riedbach, and Paprika) with a 12-day industry course held at GastroZürich's training center. Theoretical modules focus on kitchen skills, service, occupational safety, and hygiene. The course, which is held quarterly, runs at an intensity of 80% to 100% workload over several months, culminating in a certificate from GastroZürich. No childcare is offered. Entry to internal work placements is flexible and possible at any time. The total course fee is CHF 3,990, and the offer is IAZH-accredited.

Asyl-Organisation Zürich (AOZ) – AOZ German Local (with Childcare)

AOZ's "German Local" courses are held at multiple locations (including Adliswil, Birmensdorf, Horgen, Oberengstringen, Thalwil, Wädenswil, and Zurich) and cater to adults wishing to improve their German and integration skills. The course offers stage-appropriate training in reading, writing, listening, speaking, mathematics, ICT basics, and integration knowledge. Flexible scheduling is available (mornings, afternoons, evenings), and childcare is provided. Courses run three times annually for 12 weeks (48 lessons), at a cost of CHF 1,010 per course, plus CHF 685 for childcare. Exam preparation for telc or fide certificates is included, and the offer is IAZH-accredited.
